Ricky J. Kendrick is a founding partner of Investigative Resources, LLC. Born in Prestonsburg, KY, he attended the Prestonsburg Community College. He joined the United States Air Force in 1986 where he attended the United States Air Force Security Police Academy. He was stationed thereafter in Cheyenne, Wyoming where he served as Security Police Officer for approximately four years. In 1990, he joined the Prestonsburg Police Department where he served as a Police Officer until 1994 when he joined the Lexington Police Department. He is currently serving in the Bureau of Traffic.

He began his career in law enforcement as a Patrol Officer. He was assigned to various units throughout his career including the Winburn Task Force, Bank Robbery Task Force and a member of the Bureau of Training. In 2003, he was attached to the Collision Reconstruction Unit and is currently a member. He was trained in collision reconstruction by the Department of Criminal Justice Training. He has investigated several collisions involving fatal injuries and has spent much time interviewing subjects and evaluating physical evidence.

Besides investigating collisions, he is a certified instructor by the Kentucky Law Enforcement Council and has instructed driver training not only to police recruits and in-service training, but also to various divisions within the Lexington Fayette Urban County Government. He is also a certified commercial vehicle inspector with hazardous materials inspector endorsements. He is responsible for detecting mechanical, driver's safety, and hazardous materials violations of commercial motor vehicles. Mr. Kendrick has also lectured in in-service training regarding safety concerns to various groups within the Lexington Fayette Urban County Government. Mr. Kendrick is still currently a guest instructor for the Bureau of Training in various other subjects.

In addition to his experience in collision investigations, he is an experienced investigator and certified through the Department of Criminal Justice Training. He is also experienced in the use of covert listening and recording devices and their applications.

Should you find the need, Mr. Kendrick would be happy to assist you with your investigative requirements. All investigations will be conducted in a professional and confidential manner and will be conducted in accordance with all Federal, State and local laws. Please refer to his curriculum vitae for additional information regarding his training history.
